53 відповіді

What was your first impression about life in UK?

53 відповіді

- Organized and peaceful society
- I loved it
- Didn't like it a lot at first, but got used to it
- Very bad
- It was nice and chill
- I really enjoyed it because there is really a cultural diversity, all nationalities mingle without worry here in England. In addition, people are listening, if you need information they help you.
- Very good
- Busy life
- Depressing

What is the most important thing you learnt from life abroad?

53 відповіді

Independence

Discipline

Independence

Rely on yourself

my life depends on me

know more cultures

Manage my economy, it's hard...

Na

Independent

What is the most important thing you learnt from life abroad?

53 відповіді

Independence and relying on myself

Cooking

independence

How to cook

What it feels to be thrown out of your dream life😂

Communication with foreign language

I'm really accountable for my choices

Happy

Prioritizing what's best for me

What is the most important thing you learnt from life abroad?

53 відповіді

self independence

Self independence

To get out of your comfortable zone

It is important to analyse situation and be confident with your decisions

Don't bring important stuff to clubs

To value every moment

Rely only on yourself

There are so many different people around the world

Self reliance

What is the most important thing you learnt from life abroad?

53 відповіді

You need to be independent

Yo live alone

To trust me that sometimes living alone is complicated, but to do that you have to keep busy, organize your tasks and have time for yourself but above all know how to listen to yourself.

Be independent

That you should know how to manage things by your own

How to manage finance

Rely on myself only

Being independent on my decisions

Discipline

How do your experiences relate to your perceptions when you arrived?

28 відповідей

Disappointment

They were consistent, because London really represents that cultural diversity whether it's through the predominantly Indian neighborhood, the other Asian neighborhood, and finally there's a neighborhood where Jamaican culture dominates. People are attentive and helpful

It's met my perceptions

I was expecting there to be lots of things to do but not so the case

They was the same

my education is as demanding as I imagined

Is it very different from my perceptions

It was very different from my perception

How do your experiences relate to your perceptions when you arrived?

28 відповідей

My experiences made me more independent and allow me to adapt to new environments more easily

boring

no

4 out of 5... Bit below than expectations but yeah still good

The lifestyle was like I imagined it would be

Keep

I feel that it's met my expectations

Disappointment

They were consistent, because London really represents that cultural diversity whether it's through the predominantly Indian neighborhood, the other Asian neighborhood, and finally there's a neighborhood where

How do your experiences relate to your perceptions when you arrived?

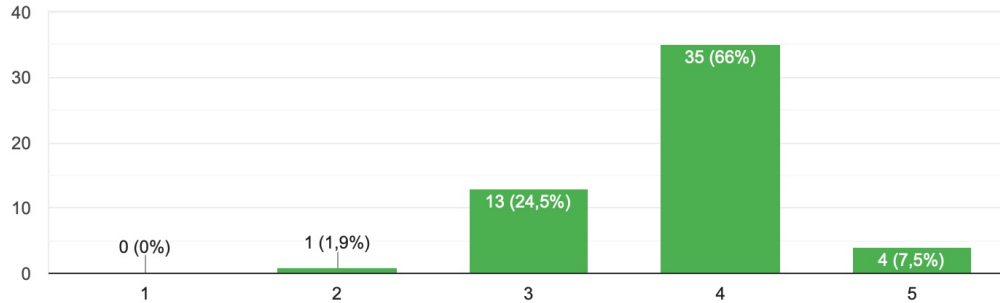

28 відповідей

- Same
- Good
- Up to my expectation
- Quite Good! I have a wonderful time here in London 🙌
- they really didn't
- They dont relate to anything i imagined because I thought everything would be harder than it really is
- Difficult question
- Illusions faded
- It was nice
