Quality project proposal paper #1

Quality project proposal paper #1 is 2-3 pages double spaced (*not including title page and references*)

Here are the 2015 Squire Guidelines: [Squire Guidelines 2015.pdf](#)  

- Address **Squire Guideline Introduction components 3,4,5,6 with the MFI questions and answers** and submit doc X file to **Quality project proposal paper #1 Assignment**
- See the grading rubric attached for specific grading criteria.
 - Keep in mind that APA, writing skills, grammar and spelling can all be addressed by utilizing the resources provided on the course module page and by utilizing the writing center resources
 - Do your best applying the MFI model and using the Squire guideline by referring to all the available Quality Paper resources.
 - You will develop Quality project development expertise over the course of the 3 versions of the paper and other associated assignments .
- **BEFORE** you submit your paper check it one last time with the **Writing Tips List**
