RE: Business letter for investing in Nestle stocks

Greetings, Professor M. Bakeman:

Summary

Nestlé is selling ADRs (American Depositary Receipts) in the US securities market, in which 1 Nestlé ADR represents 1 share of the Nestlé company. Through any licensed US securities broker, investor may trade the Nestlé ADR on the US over-the-counter market and may track the Nestlé ADR with the CUSIP Number 64106406. To be more specific, Nestlé ADR is using Citibank as the depositary bank, which serves as the agent and recorder of the trades. An investor may always find a recent price of Nestlé ADRs on the Citibank's website: <https://www.citiadr.idmanagementsolutions.com>.
