Or, search in youtube "How Music Can Change A Scene - Kylo Ren VS Luke" by Karl Veiga.

Watch the video. Listen to the MUSIC in particular, not the dialogue between the two characters.

Write one paragraph describing how the use of music can affect a scene in a movie.

HINT: Pay attention to the pace, the volume, the mood the music evokes.

(If you've never seen any of the Star Wars movies, that is OKAY, you won't be graded on that.)

The image shows a rich text editor interface. At the top is a toolbar with various icons for text formatting (bold, italic, underline, strikethrough), paragraph alignment (left, center, right, justified), font color, background color, bulleted and numbered lists, link and unlink, indent, outdent, decrease indent, increase indent, link, unlink, table, table of contents, and a 'Check' button. Below the toolbar is a large, empty text area. At the bottom of the image, there is a status bar with the text 'Path: p' on the left and 'Words:0' on the right.
