

ECCE 2202 Social Issues and Families
MAP presentation

Students will choose a cultural/ethnic group about which they do not have knowledge. They will be required to spend time outside of class to learn about this culture: What are their thoughts about education, marriage, family, religion, roles in society, discipline, etc. Students will present their finding to the class

Name:

Culture:

	No credit	Half credit	Full credit	SCORE
Visual Aid(s) (This can be food, clothing or a culture artifact) 2 points	No artifact		One or more artifact was provided.
