

Dear Students,

Your end of semester assessment of BFC5914 Bank Lending will be held during the official examination period – please check your student timetable for the start time (this will be at **Australian Eastern Standard time AEST**). The assessment duration will be 2 hours and 10 minutes and it will be run via the Moodle page of BFC5914.

Students need to apply *Special Considerations* via the online process <https://www.monash.edu/exams/changes/special-consideration>

CEs are not in charge of special considerations approval.

Exam Instructions

Date of Final Exam: Check your timetable

The total grade is 60 marks.

It consists of **Three compulsory questions**.

The duration of the exam: **2 hours and 10 minutes**.

The exam will be run on the Moodle platform.

It is an **Open-Book exam**, only open to all the materials provided on Moodle and textbooks.

Do **not** open any other websites during the exam.

No formula sheet provided.

Only **HP** 10bII+ or **Casio** FX82 (any suffix) calculator permitted.

The university will use similarity-detection software to compare your works. **Both of you will be graded 0** if your answers bear a remarkable similarity or are the same.

- ❖ **Question 1 (20 marks):** Four Calculation Questions.
- ❖ **Question 2 (20 marks):** A Lending Case Study.
- ❖ **Question 3 (20 marks):** Three Short-Answer Questions.

Again, this is **an individual assessment** and cooperation is not allowed.

You are highly suggested not to skip any questions.

You only have **one attempt** in the system.

When inputting the figures in the solution box of questions, please follow closely the instructions on the exam paper.

In terms of rounding issues, we **do not ask** you to keep 2 decimal places **in the middle of the calculation steps**. **In the middle of the calculations, keep all the digitals.**

If you experience any issues during the exam:

- Issues seeking clarity with a question, contact CE: **ying.liang@monash.edu**
- **Technical system issues**, please contact **+61 3 9903 2777**

Good luck with the exam.

Kind regards,

Ying
