Dear Mr. John,

DS

I am writing to apply for the cyber security engineer position advertised on **indeed.com**.

The role is very appealing to me, and I believe that my strong technical and analytical capabilities and education make me a highly competitive candidate for this position. My key strengths that would support my success in this position include:

- > I strive continually for excellence.
- > I have successfully designed, developed, and supported live use applications.
- > I provide exceptional contributions to customer service for all customers.

Avoid beginning with I
