

# Assisted Living Pricing

Ventura Hills' comfortable, close-knit community and compassionate care promote resident-centered wellness. Residents benefit from having the ideal amount of assistance with daily activities like personal care, medication management, housekeeping and transportation.

## Services and care covered by basic service rate

- Your choice of studio, alcove or one-bedroom
- Dining program with three nutritious meals and snacks planned by a registered dietitian
- Experienced staff on-site 24 hours a day
- Licensed nurse oversight of your care
- Consultation with the Ventura Hills clinical team
- Consultation regarding your pharmacy needs
- Daily programming, events and outings
- Routine wellness monitoring
- Housekeeping, weekly laundry and linen services
- Electric, water, basic cable and trash removal services
- Medication management
