

# Project Part 5 ▾

- **Part 5 (Week 9)**

- Start planning the project. Possible questions include:
  - How will I schedule my time so I get the project done by the due date?
  - What additional information do I need?
  - How will I find this information?
  - How can I write an outline for the project?
  - How will I create visuals for the presentation?
  - How will I create the presentation?
  - How will I keep track of my progress?
