

* Unit IV

Introduction: Design Principles

In this unit we will focus on Design Principles and traditional 2D Printmaking artwork.

Using our Art LibGuide, find two artworks that make use of the Principles of Design in different ways. One of your artworks should be a recent creation (meaning created in the last 20 years).

What is the overall effect? How are they different? Please include artwork images.

Be sure your journal is a minimum of 500 words.

*Be sure to complete the Knowledge Check!

* References

Always cite your sources. Be sure to have in text citations and references for your required source.
