Girls of same height of boys about the same prices. & Good young woman
 & finer child of 1300 to 1400, We would pay our negro
 market continues dull & cheap for ^{finer rate} ~~good~~ negroes
 There are several persons here now making up
 lots for the Orleans market & if you have any on
 hand now is the time to bring them the
 chances are they will be lower The Presidential
 election is having considerable effect on the
 market how it will go no man can tell But we
 would advise you not buy nothing but good
 negroes & buy them as prices to fall immediately

it will not do to hold them under the present
prospects But of course if I had a chance to buy
at prices that I could run money in buy and
sell immediately

Very Respy
