

# Attempt 1 has been evaluated

## Evaluated Assessment File

Includes a link to the scoring guide and any additional faculty feedback.

### Overall Comments:

Hi Tapas and welcome!

I have returned the assessment to you for definition and clarification. Please reread the Syllabus and Assessment, and work with your Advisor for details and proposal criteria.

You need to work with a specific person at a specific organization on a specific proposal. You have identified Apple only in general terms.

Any questions should be directed to your Advisor.
