

Objective: Demonstrate improved communication skills

*Read the sample project “Design of a Multifunction Pen” posted on the blackboard then write a two-page (1000 words) analysis (as a critique) on each the following:*

- **The abstract**
- **The introduction**
- **Identifying constraints and criteria of success (Step 3 of the design process)**
- **The analysis of each potential solution (Step 5 of the design process)**
- **The conclusion**
