

Assignment #3: Primate Video

Submit Assignment

Due Sunday by 11:59pm **Points** 30 **Submitting** a text entry box or a file upload
File Types doc, docx, pdf, rtf, and txt **Available** until Jul 19 at 11:59pm

You will need to set aside at least an hour to watch a film and answer the questions provided. Your assignment will be graded based on your understanding and use of information presented in the specific film.

How to submit assignment:

Copy and paste the associated video questions into your word processing program. Watch the video and answer questions using information from the film.

- Type your answers in **complete sentences** after each question. Make sure you support your answers with **specific information** from the film.
- Do **NOT** simply quote the film, use your own words. Do **not** search for answers online (that's cheating)!
- **DO YOUR OWN WORK**. If your answers are similar to another student's, you will **lose all credit** for the assignment.
- Answers should be **single-spaced**.
- Your entire completed assignment (including the questions) should total a **minimum of 750 words**.
- **Cut and paste** your completed answers here in the assignment area, or you can upload a file (only accepted file formats: doc, docx, pdf, rtf, txt).

FILM/QUESTION LINKS:

Among the Wild Chimpanzees

- Download video questions below before watching the film!

Among the Wild Chimpanzees

Among the Wild Chimpanzees [transcript](https://www.scripts.com/script.php?id=national_geographic%253A_among_the_wild_chimpanzees_14512&p=5) [_ \(https://www.scripts.com/script.php?id=national_geographic%253A_among_the_wild_chimpanzees_14512&p=5\)](https://www.scripts.com/script.php?id=national_geographic%253A_among_the_wild_chimpanzees_14512&p=5).

Video Questions: Among the Wild Chimpanzees

1. Describe several aspects of the chimps' daily activities at Gombe.
2. Who are the members of the main family of chimps shown in the film and what are their relationships?
3. Describe specific evidence of dominant behaviors shown in the film.
4. Describe specific evidence of affiliative behaviors shown in the film.
5. Describe specific evidence of learned behaviors shown in the film.
6. Describe specific evidence of territorial/aggressive behaviors shown (note: this is not the same as dominant behaviors).
7. Describe evidence of chimp emotional behaviors.
8. Human impact on the Gombe chimps: Was it positive/negative? Evidence?

9. Go back and review the different behaviors you recorded—how could these be seen as adaptive behaviors (favored by natural selection)? Are any behaviors maladaptive (not favored)? Be thorough!

Video Assignment					
Criteria	Ratings				Pts
Format: Are answers single-spaced, numbered, totaling 750 words?	10.0 pts Meets all format requirements	6.0 pts Meets some format requirements	0.0 pts Fails to meet format requirements		10.0 pts
Content: Do answers illustrate a full understanding of the contents of the film?	20.0 pts Shows very good grasp of film contents, all questions answered appropriately	15.0 pts Moderate grasp of film content, most answered correctly, some errors.	10.0 pts Shows basic grasp of some film contents, only some questions answered correctly	5.0 pts Few correct answers, does not show an understanding of film contents	20.0 pts
Total Points: 30.0
