

Communication Matrix

Locate four videos of teachers interacting with students in the classroom that exhibit the communication examples listed in the matrix. Provide a description of both the video and communication example. In addition, identify and rationalize an applicable example you could apply in your future professional practice when in a similar situation.

Video with Aligning Communication Example	Communication Description	Video Description	Future Classroom Application
Communication Example: <i>Interpersonal communication is transactional.</i> Video Title: URL:			
Communication Example: <i>Communication through multiple channels.</i> Video Title: URL:			
Communication Example: <i>People create meaning.</i> Video Title:			

URL:			
Communication Example: <i>Environment and noise in communication.</i> Video Title: URL:
