- ☒ Submit your findings in a 3–4-page document, excluding the title page, abstract and required reference page, which are never a part of the minimum content requirements, in the Assignment Dropbox.

- ☒ It is strongly encouraged that you submit all assignments to the Turnitin Originality Check (available under Information folder on your Blackboard) prior to submitting them to your instructor for grading. If you are unsure how to submit an assignment to the Originality Check tool, review the Turnitin Originality Check – Student Guide for step-by-step instructions.

Module 5 & 6

Assignment-III: Finalization of title and research questions (60 points)

After going through the past literature, you will develop a clear idea of the gap in area of your selected topic. Explore this gap and find a suitable title for your chosen research topic. Draft research questions can be tweaked or improved with the gained knowledge from literature review. The title and the research questions can be finalized with strong logic provided by supportive literature.
