

Control Charts

Discuss the steps in the control process and apply them to a quality and productivity situation that you are familiar with or can imagine with an organization.

What is one thing an organization can do to improve the control process to increase productivity?

Directions:

- Discuss the concepts, principles, and theories from your textbook. Cite your textbooks and cite any other sources if appropriate.
- Your initial post should address all components of the question with a 500 word limit.
