

Question designers need to avoid specific wording problems. For example, they should avoid leading questions or double-barreled questions. What do you think about it? Elaborate with sample questions and the possible answers. (Refer Chapter-11 / Module-7,9)

Embed course material concepts, principles, and theories (which require supporting citations), along with two scholarly peer-reviewed references in support of your answer. Keep in mind that these scholarly references can be found in the Saudi Digital Library by conducting an advanced search specific to scholarly references.

Be sure to support your statements with logic and argument, citing all sources referenced.
