

No.34 - National Spirit with the core of patriotism

- What is patriotism-centered national spirit in China

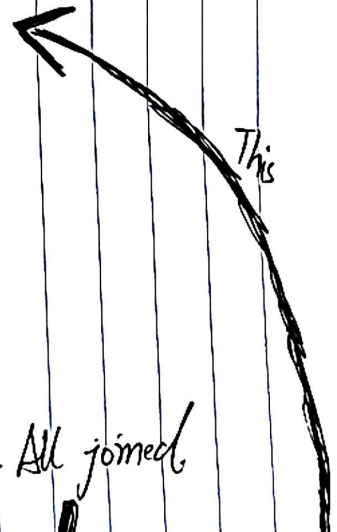

↓ Prove

- This is the another name of nationalism, or we can say this is the special Chinese nationalism

Ideology
↳ speciality

Manifestation

What kind of Power unity all of the people together?

No.35 - Nationalwide War

- What is nationwide war.

- How was the extent of Chinese people joining the war.

↳ One important Example must include:

↳ Some ethnic groups which were not even under Qing government control, also joined the war

- Different Age
- Gender
- Social Class
- Region
- Ethnic group

All joined

So, Why?

(To be more precise)

During that time, we all admitted we are one nation - Huaxia Nationality - Chinese Nation

- ① National Strength bad, external force will be easy to ~~invade~~ invade
- ② Nationalism is not always bad. when especially a country or a nation is facing imminent extinction, people's behavior must be aggressive to gain the chance of survival for the nation by strongest wherison and discharge of external force.
- ③ Patriotism-centered national spirit lead China overcome the invasion by uniting people, combating foreign force
- ④ It's more about nationalism than patriotism $\xrightarrow{\text{conclude}}$ Patriotism-centered national spirit $\xrightarrow{\text{is}}$ Chinese nationalism's ideology
