The New Look Is Looking To MURRAY'S DUDE RANCH FOR VACATION

... because most guests come to Murray's for rest and relaxation, our cottages are far removed from each other ... hot and cold running water ... screen porches and plenty of shade. Every convenience of home.

You have your own private swimming pool and your private horse and your meals served to you in bed if you desire. No other place can make that statement.

FLATHEAD VALLEY, MONTANA

THE M-LAZY-V RANCH

is in the Bitter Root Range on the western slope of the Rocky Mountains, 60 miles southwest of Glacier National Park and 30 miles from Kalispell, Montana. The ranch is easily reached from all parts of the country via the Great Northern Railway's famous "Empire Builder" to Columbia Falls, Montana; thence 17 miles by branch line to Kalispell, where you will be met by our ranch car. During the summer season low round-trip fares are in effect to Pacific Coast points, which allow stop-overs at Kalispell. Round-trip summer fares are also in effect to Glacier National Park and Kalispell. Any railway ticket agent will be glad to tell you about these low fares which are available via the Great Northern Railway.

You live by yourselves in a comfortably furnished one or three-room log cabin. Bath houses with plenty of hot and cold running water are conveniently located. Wholesome meals, ranch style, are served in a large log dining room.

References will be given upon request.
