EDUC& 115 Child Development

Combined Developmental Summary #2 and #3

Infant and Toddler Development, 0-24 months

Due Wednesday January 29th, note combined due date

(30 points total)

Please read Chapter 5 in Lifespan on infancy which the text addresses as birth to 24 months. Respond to the following questions to identify key development for the 0-24 month age group.

1. **Physical Development**, explain key points that deepen your knowledge and understanding of the age group, in 3-5 sentences about the following:
 - a. Brain Development
 - b. Motor Development
2. **Perceptual Development**, explain key points that extend your knowledge in 3-5 sentences, about the following:
 - a. Visual Perception
 - b. Depth Perception
 - c. Auditory Perception
3. **Cognitive Development**, summarize key points in 3-5 sentences that support your area of interest, either Piaget's **Sensorimotor Period** or **Information Processing in Infancy**.
4. **Social and Emotional Development**, summarize key points, in 3-5 sentences, concerning what is meaningful to you about the **Role of Emotions in Development**.
