

**Do White  
Supremacist Groups  
Promote Hate and  
Violence?**

## Chapter Preface

White supremacist organizations such as the Ku Klux Klan, the National Alliance, and the Creativity Movement (formerly the World Church of the Creator) have been male dominated since their founding. Women involved in these organizations have traditionally played supportive, usually subservient roles to men in the group. The division of roles along gender lines was clear: men were active in the group while women stayed home and bore and raised children. Indeed, women were usually recruited to these groups for the purpose of carrying the next generation of the white race. For many white supremacist women, this homebound, reproductive role was enough. However, late in the twentieth century women began to take more active, often violent roles in supremacist groups. Women for Aryan Unity, a women's white supremacist organization, now encourages women "to stand by their men and take up their weapons and battle cry if the men should fall." Women's roles in supremacist organizations have evolved to include the active promotion of hate and violence. Kirsten Kaiser, married for nine years to a member of the neo-Nazi National Alliance says, "It seems to me that the true believers, the women, are even more violent than the men."

Kathleen M. Blee, author of *Inside Organized Racism: Women in the Hate Movement*, maintains that while some women have drifted into racist organizations—usually because of their involvement with a man who has ties to the group—many women have sought out white supremacy organizations on their own. She contends that they are just as resolute in their commitment to racism as men in such groups and just as ready to turn to violence. Blee argues that "in a number of groups women are not only cheerleaders, but are active participants and planners." Further, her research has shown that racist groups that attract younger people—skinheads and neo-Nazis, for example—are more likely to attract women who want an active role. Blee insists, "These young women expect to be part of the violence of these groups."

Mark Potok of the Southern Poverty Law Center, an organization that tracks U.S. extremist group activity, concurs

with Blee. His research shows that racist groups are actively recruiting young women who are not afraid of violence. He explains, "There is so much talk within the movement about the difficulty of finding good Aryan female warriors, that now it is being acted upon." Lisa Tuner, founder of the Women's Frontier, an offshoot of the neo-Nazi World Church of the Creator, notes, "Everyone is starting to realize that if we are going to overcome in this struggle, we are going to have to do it together—man and woman—side by side."

Women in white supremacist organizations have proven that they can be just as steadfast in the promotion of the racist cause as their male counterparts. In the following chapter authors debate whether white supremacist groups promote hate and violence.

## White Supremacist Groups Promote Hate and Violence

Carl Rowan

Carl Rowan was a syndicated columnist and authored *The Coming Race War in America*. In the following viewpoint taken from a 1999 column, he argues that the dire predictions he made in his 1996 book about the dangers posed by white supremacists are coming true. According to Rowan, white supremacists now promote hate and violence against minorities more and more efficiently using the Internet. Moreover, he maintains, these hate-mongers are amassing illegal arms with which to conduct a race war in America.

As you read, consider the following questions:

1. How did Richard Butler respond after Buford O. Furrow shot five people at a Jewish community center in 1999, as related by the author?
2. What “one-man forays” does Rowan describe?
3. Why does Rowan think his “alarmist” book is even more pertinent today?

Carl Rowan, “The Creeping Race War,” *Liberal Opinion Week*, vol. 10, August 30, 1999, p. 10. Copyright © 1999 by North American Syndicate. Reproduced by permission.

[In 1999] after Buford O. Furrow shot five people at a Jewish community center in Los Angeles and gunned down postal worker Joseph Iletto because “he was nonwhite and worked for the federal government,” the white supremacist leader of the Idaho-based Aryan Nations said of Furrow: “He was a good soldier.”

“I cannot condemn what he did. He was very respected among us,” added Richard Butler, leader of a group that is notorious for advocating violence as a means of making the United States an all-white nation.

### **Not an Aberration**

Butler’s words suggest that Furrow was not just a deranged loner when he launched his attack on Jews and nonwhites. Just as Benjamin Nathaniel Smith was more than a loner when he staged a shooting attack on Jews, blacks and Asians in Illinois and Indiana over the [1999] Fourth of July weekend. Just as Timothy J. McVeigh and Terry L. Nichols were not just “lone wolf” nuts when they perpetrated the 1995 bombing of the Alfred P. Murrah federal building in Oklahoma City, killing 168 people.

The bigots within America who hate blacks, Jews, “foreigners,” immigrants, Muslims and the federal government are carrying out an unholy war, but it is a war of snipers, isolated shootings and bombings, and one-man forays so far. It may soon become more organized—and worse.

So it is wise that Columbine High School in Colorado reopens this week [in August 1999] under conditions of heightened security. It is prudent that schools across America have taken steps to prevent outbursts of violence by those caught in the dark clutches of the haters. It would be well for the rest of us to be on guard.

### **A Race War**

In 1996, I published a book warning that this society was imperiled by white racists who threatened to kill Jews, deport or kill blacks, wage war on unfavorable judges and federal facilities, and eventually provoke a tragic race war. I made the mistake of titling that book *The Coming Race War in America*, thus scaring the hell out of many reviewers and people who

## Anti-Semitic Incidents Year-by-Year National Totals 1980-1999

The number of anti-Semitic incidents documented by the Anti-Defamation League (ADL) fell to a total of 1,547 incidents from 1,611 in 1998, a 4 percent decrease. Of the instances of anti-Semitism in 1999, there were 868 cases of harassment (down 3 percent from 896 in 1998), and 679 acts of vandalism (down 5 percent from 715 in 1998). Harassment and vandalism incidents represent 56 percent and 44 percent of the total incidents, respectively, which represents the same proportion as in 1998. ADL's 1998 *Audit* reported 896 incidents of harassment (56 percent of the total) and 715 (44 percent) instances of anti-Semitic vandalism.

Anti-Defamation League, "1999 Audit of Anti-Semitic Incidents," 1999.

branded it "alarmist" without reading it. I cited the 800 or so "militias" and the assorted venomous groups in America that had made as their "bible" a book by William Pierce called *The Turner Diaries*, in which the script for the Oklahoma City bombing was set forth in chilling detail. That book also set forth a plan for the extermination of blacks, Jews and unwanted immigrants.

My "alarmist" book is more pertinent, its documentation

more chilling, today than it was in 1996, because the haters have their war more on track. I am more alarmed now that I have seen Tom Metzger, leader of California's White Aryan Resistance (WAR), declare, "Good hunting, lone wolves" as he calls for a second civil war in exhorting his soldiers to act "in any way you see fit" against immigrants. The "crazy" single killers all have commanders giving orders.

Since 1995, the FBI and other law enforcement agencies have moved against the Viper Militia and other paramilitary groups that were amassing illegal arms and clearly constituted a threat of violence. That provoked a movement away from group actions. To foil FBI and police infiltrators, as I predicted in my book, the move has been to "lone wolf" and "good soldier" violence, with Internet and telephone messages and books by Pierce and other racists setting forth the battle cries and the targets.

The "race war" advocates are now reaching high schools, colleges and official military units through the Internet in ways they never could through books and pamphlets. Thus they have exposed us all to the threat of sudden death.

The problem America faces is far beyond the need to get psychiatrists to a small number of "sick" souls. It is not enough for schools, synagogues, black churches and non-white facilities to increase security. We must somehow get all of white America out of denial about the magnitude of "Christian Identity" racism and madness in this society.

The "disciples" and "soldiers" of Butler and Metzger will kill anyone—anyone—they think stands in the way of their Aryan America. Their race war is on. We can waste no time learning more about who they are and where they next plan to strike. And our law enforcement people must act accordingly.

## **The Danger from White Supremacist Groups Is Exaggerated**

Adrian H. Krieg

Adrian H. Krieg argues in the following viewpoint that the Southern Poverty Law Center (SPLC) and other watchdog groups exaggerate the danger posed by white supremacists in order to enrich themselves. He maintains that by inflating the membership numbers of the Klu Klux Klan and other white supremacist groups, the SPLC can raise large amounts of money from frightened whites, especially Jewish people. Krieg insists that most of the groups targeted by the SPLC pose no real danger and are being harassed because of their political beliefs. Adrian H. Krieg is a political writer and historian.

As you read, consider the following questions:

1. Why does Krieg maintain that hate pays?
2. Why does the SPLC consider white, Anglo-Saxon males to be the primary purveyors of hate, according to the author?
3. What group does Krieg claim is the largest contributor to the SPLC?

Would be “Do Gooders” seem pressed to contribute to organizations that inform us of their profound well-meaning actions to save society from the evil political right. This has become one of the most profitable business enterprises in the nation. Having taken note of this, it seems to me that people of particularly poor judgment are the most insistent that we support their causes. Assuredly we find these people as the most fanatical members of our society; their religion is one of hate, they hate everything that contradicts their politically left dogma. A substantial number of businesses have grown out of this, which can be said . . . now constitute an entire industry, in many cases of extorting funds from innocent bystanders for the sole purpose of self enrichment. The Simon Wiesenthal Center and the JDL [Jewish Defense League], along with the World Jewish Congress [WJC], come to mind. One of the most successful and most profitable of all of this lot is The Southern Poverty Law Center [SPLC] of Montgomery, Alabama. Two things strike me as ironic: the name and location.

We must first come to the realization that the name seems to indicate some method of fighting poverty and that this is nothing but a ruse. In their 1998 Form 990 IRS return we learn that on line 26 “other salaries and wages” all four columns combined total \$6,970,322.00 for total payroll, and a whopping \$1,465,130.00 in pension and other benefits. (Line 27 & 28) We learn on the same page that the aggregate expenses for 1998 were \$41,550,243.00, no paltry sum that! . . .

We do learn that their extremely well paid executive staffs earns from \$65,192.00 up to \$272,047.00, with an additional \$6,972.00 in direct benefits. I wonder seriously how anyone can justify the trappings of pretending to save the poor and wretched on a salary that is almost twelve times the national average income. In fact, if you are a management job seeker, at least one with limited moral and ethical education, you might find that working for a firm that compensates its average executive staff with \$163,683.00 to be an excellent idea. After all, seven times the average national income seems like a good deal especially when you live in Alabama that is on the bottom of [the] national food chain in income.

Just exactly what is it the SPLC does? Well, this is a some-

what nebulous issue since they expend close to fifty percent of their income on advertising and the raising of additional funds, and a large chunk in payroll. When I said, "Hate Pays" I was not kidding; direct public support to SPLC in 1998 was over 27 million dollars.

## Government Contracts

To make things worse we learn that revenues from government contracts amounted to \$88,692.00, and in addition other income was interest on savings \$163,789.00 and dividends from securities of \$214,024.00. I don't exactly know how much money you need to have invested to earn \$370,000.00 plus in just interest, but I am sure that it's more than one million. We learn from the offices of Senator Strom Thurmond that SPLC had a budget of \$9.5 million for 1999.

Just exactly what they did for the government worth over eighty-eight thousand dollars does however interest me. One contract was the US Air Force AFSCO command Hurlburt Field FL by special order executed by Rochelle D. Wiegman Lt. Col. USAF dated July 03/96. It was to Joe Roy editor of *Klanwatch*, one of SPLC printed organs. Now I have reviewed the entire published SPLC[s] list of so-called "Hate Groups" includ[ed in] *Klanwatch*, and find the information contained therein at least in part fabrication. *Klanwatch* lists 138 Ku Klux Klan organizations under 36 various names. Not one address is listed. Not the name of one individual member. All the information provided consists of the name of a town and state, something that any grade school student could put together. Another contract also from the Air Force was again at Hurlburt Field this time with USAF-SOS Special Operations School. They give classes 8 times a year on average 4.5 days and had Mr. Joe Roy speak twice as a "recognized area expert on domestic right wing extremist groups." I for one would be more than just interested [in] what was contained in Mr. Roy's talk "Threat in the United States". Moreover, why the US Air Force is at all involved with what is constitutionally a domestic state police matter could be explained at the very same time. And while we're at it if the Air Force does not know what the "Threats in the United States" are they must be in the wrong business. I

thought that this is exactly what the FBI is supposed to protect us from domestically, and the Air Force internationally. It is my understanding that there is a present lawsuit by Dr. Robert Clarkson against the U.S. Air Force for illegal use of SPLC documentation in brainwashing our troops. Three past employees of SPLC, Mr. Balske, Deborah Ellis and Dennis Sweet, a past Alabama legislator, all say that [Morris] Dees focuses on the Klan and other white supremacy groups who's bark is worse than its bite "to raise more money for the center". Going after the Klan has brought in millions of dollars, from across the nation. The fact that total Klan membership nationally is below 5000—less than .0035% of the population—seems not to play any part in money raising or in contributing decisions.

This then brings us to the militias that are another *cause de celebrant* for SPLC. The fact that 95% of these militias are benign simply is not part of the equation. While government agencies (FBI, BATF [Bureau of Alcohol, Tobacco and Firearms]) need to create villains to sustain their bloated budgets, SPLC working, often hand in glove with them, requires hate groups to obtain ever more contributions. That the successes of both government agencies and the private sector hate mongers have been more than just successful goes without saying. How many so-called hate groups are partially or wholly financed by various government agencies is also a matter of some conjecture. Often in joint and apparently orchestrated effort they persue the very same outcome. . . .

## Hate Crimes

Hate Crimes [are] the latest of a long line of corrosive ideas pushed by the SPLC as well as the political left. George Orwell was first to write on the topic, first in an essay and then in his book *1984* calling it news-speak, a process of through language influencing a pre-plan[n]ed outcome, and of controlling people. We have already instituted a national practice of PC (Political Correctness) that is in fact Cultural Marxism. (CM) Through these processes the left has demonized any historic fact that does not meet the outcome goals of the political left and their academic stooges. In this cause history is being rewritten, consider movies and books like

*Roots, Amistad* and *Pocahontas*, historically not just inaccurate but totally wrong.

They represent the plagiarizing of history for the purpose of social change. This is taking place in our entire society in every venue. Even our language is under attack. Gay, Assault Rifle, Cop Killer Bullet, Peacekeepers, Hippie, Hispanic, Homophobic, Choice, Saturday Night Special, all these words have been created by leftist foundations so that issues can be twisted to their side of the argument. But of greater interest is the fact that none of those words and phrases they have created make any sense, nor are they definable in a lexicographer vernacular.

SPLC can well be categorized as a Dees enterprise. Morris Dees is from Shorter, Alabama. He studied at the University of Alabama School of Commerce. Together with Millary Fuller he set up Fuller & Dees Hart Dixie Products, giving him the “good old boy” appearance. The name was then changed to Fuller & Dees Marketing Group. After his marriage to Maureen he sold his 89% interest in the company to the Los Angeles Mirror Corp. for \$5,150,000.00. . . .

Much amazing and confounding information can be learned from the SPLC Internet site. Things I did not know until today when I reviewed the site. First of all it appears that White Anglo Saxon males are the primary purveyors of hate because in the entire list of claimed hate groups no female, Hispanic, Homosexual, or Oriental hate groups appear; now that in itself is amazing. Can there be any doubt that such exist? Of 457 “Hate Groups” listed, 21 are claimed to be “Black Separatist” but when you go through the list you find only The House of David, and Nation of Islam listed. In fact a careful review of the entire list [reveals] listed groups that were obviously placed on the list to inflate the numbers. I know of one on the list who has just entered a lawsuit against SPLC, and one that is definitely not a Hate Group, but rather a newspaper with a circulation of over 10,000 and many that are mere figments of SPLC’s imagination.

### **Benign Organizations Are Listed**

Since no addresses are given it is impossible to validate the list, addresses which were in my opinion left off for a very

good reason. Furthermore there are numerous organizations listed with rather benign names and purpose; among these are over 15 organizations containing the word Christian. A large number of Baptist and other Churches, Publishers, as well as numerous patriotic and conservative organizations are listed. The NAACP [National Association for the Advancement of Colored People] is not listed but the NAAWP (National Association for the Advancement of White People) is. . . . It only applies to Anglo Saxon males. No one else need apply!

All this in my opinion is for no other reason than to garnish funds from people stupid enough to contribute to SPLC.

---

### **Racist Groups Pose Little Danger**

They collect millions of dollars for their crusades against hate groups, but do so-called “watchdog” organizations exaggerate the dangers posed by neo-Nazis and other racist movements? Laird Wilcox thinks so. A Kansas author and editor who has spent decades researching what he calls “fringe” groups, Mr. Wilcox says the total numbers of active, organized extremists on the right is not much more than 10,000.

“Because of their nature, it’s very difficult to come up with firm numbers” for such groups, Mr. Wilcox says, but estimates “the militias are probably 5,000 or 6,000 people. The Ku Klux Klan are down to about 3,000 people. And the combined membership of all neo-Nazi groups are probably just 1,500 to 2,000.”

In a nation of more than 270 million people, the small size of such fringe groups represents a tiny danger, yet they are the target of what Mr. Wilcox calls an “industry” of watchdog groups.

Robert Stacy McCain, *The Washington Times*, May 9, 2000.

---

There may also be found on the site a listing of “Hate Crimes” committed in 1999. Unfortunately the site is structured in such a way that makes it impossible to pull up the whole list. Having made a perfunctory examination of that list it revealed that tricks were used to inflate the numbers. The following acts are now “Hate Crimes”: Having a Rally, having a Rally that was called off, meetings, and Un-described graf-

fiti on a wall, a message chalked on a sidewalk, shouting a racial slur, the distribution of leaflets, false statement made about a non-existent swastika. Well it won't be long before Mr. Dees and co. will have their thought police review everyone's dreams to make sure that they are in compliance with their strange ideas of right and wrong.

We should at this point consider the vast amounts of money being diverted from real Christian charity to the poor and needy in order to keep Dees and co. living in the outrageously opulent style to which they have become accustomed.

Just exactly how large is the mom and pop hate mongering at SPLC? Their 1998 Income Tax Return shows net assets of \$136,768,758.00. . . . The SPLC is one huge money machine, operating for the sole purpose of keeping Morris and f[r]iends in the high style of Living, and to afford him the funds for his numerous trysts. The palace out of which they operate in Montgomery. Alabama makes the average corporate headquarters look like a piker. Why do I call these people who claim to educate the public, schools, teachers and others about hate, a hate group? The reason is that they use hate as a weapon to induce innocent fools into giving them money. Consider that at 5% interest they would make an income of \$680,000.00 just on their net assets. According to Randall Williams, a disgruntled ex-employee of SPLC, "Our donor base was anchored by wealthy Jewish contributors on the East and West coasts, and they gave big bucks. We were able to take in \$3 million more a year than we could spend. Still Morris continued to send out fund raising letters about the 'Klan Menace' and the money kept po[u]ring in."

## **SPLC Is a Wealthy Organization**

In a headline Feb. 13 1994, in the *Montgomery Advertiser* we learn, "Charity of Riches—they're drowning in their own affluence." The article goes on to explain that SPLC is raising so much money that they can not spend enough of it to keep their books on an even keel. In 1994 SPLC already had a \$52 million cash reserve. They would be surprised how right they were if they saw that the cash reserve had grown to over \$130 million, a growth of almost 300% in 1998. All this sort of makes me think that there should be an IRS rule about

how much a 501c tax ex[em]pt corporation is allowed to retain as unused surplus; after all there are such rules for private corporations.

A close look at the SPLC indicates an organization that is essentially run for and by one man Morris Dees. Many of his avid supporters, some 600,000, see Dees as a hero. Since the bulk of his support comes from the Jewish communities in New York City, Los Angeles and Chicago, very far away from Montgomery, you can begin to grasp the reason for it.

Attacks by SPLC have been on numerous individuals under false pretence. Eustace Mullins is a well-known author and friend living in Saunton, Virginia. Now I am sure that there may be some people who disagree with Mullins but that does not make his publishing company, Revelation Books, a hate group. In fact, attacking an elderly author of dozens of widely circulated books and listing that publishing company as "Hate Group" is the act of hate. Mullins was a confidant of Ezra Pound who was the greatest American poet of the 20th century. The very first book he produced was at the suggestion of Ezra Pound; *The Secrets of the Federal Reserve* is considered the lexicon of all the books written on the FRS [federal reserve system]. How a publishing company with one sole employee, its author, constitutes a group is likewise never once explained. Far from being alone, the *Jubilee Newspaper* is listed under Identity whatever that is. How a newspaper can be classed as "Hate Group" is never explained, and the fact that it is a newspaper is omitted from the listing. I have no doubt that within short order SPLC will find some way to get my name on the list, because everyone who at one time or another criticized SPLC or Dees has wound up listed.

## Phony Listings

As I have surmised, the entire listings are phony; it is inflated for one and only one purpose: to raise money and get unknowing people's support. Just consider some of the listed groups: American Nationalist Party, Christian Defense League, European American Education Assoc, Christian Bible Ministry, Christian Research, Land of Peace, and, yes, you guessed it *America First*. Who's missing? The Jewish

Defense League, The ADL [Anti-Defamation League], the NAACP, the JDL, the WJC, NOW [National Organization for Women]. Like I said, if you're Jewish, Black, Hispanic, Oriental or female you couldn't be a "Hate Group" in Mr. Dees's lexicon.

How does SPLC get suckers to send them money? Well there's the Wall of Tolerance. It is to be constructed in Montgomery, Al. For a mere \$35.00 your name will be listed on the wall. Or you can for the mere amount of \$25.00 obtain SPLC publications for the next two years. Naturally, every letter, brochure, and flier tells the potential contributor that all payments are totally tax deductible. Then there's *Klanwatch* & Militia Task Force, who produces a brochure with lots of pictures including a photo of the Oklahoma City bombing, which was proven not to be in any way connected to any group. Then we have Teaching Tolerance as a program for schools and teachers, which is nothing, less than a concerted effort at multi-culturalism, one of the processes of destroying national [cohesion]. They sell programs to school systems. To date 50,000 of our schools have purchased this propaganda. Through the use of a very wide brush SPLC paints numerous political and social groups into their hate arsenal. Per example they use NEO- as a catch syllable to link different groups with whom they disagree. In Propaganda, that is simply called LINKAGE. Neo-Nazis, Neo-Confederates, and Neo-Conservatives are often linked in the same paragraph. Their most effective method of fundraising is through the use of specific letters on single topics to explicit groups. In this way Jews in NYC, LA and Chicago is their largest single contributory segment.

## **Racial Hatred Is Necessary to Save the White Race**

Matthew Hale

Matthew Hale is the Pontifex Maximus (supreme leader) of the World Church of the Creator (now renamed the Creativity Movement). In the following viewpoint he argues that the white race, which he claims is responsible for all that is worthwhile in the world, is in danger of being destroyed by people of color. Hale contends that the law of nature dictates that people must love and protect their own kind, which for white people means promoting white interests above those of minorities. According to Hale, white people should hate the “mud races” in order to protect their own race.

As you read, consider the following questions:

1. In what way is Christianity destructive, according to Hale?
2. Why does Hale single out Jews as special enemies?
3. How does Hale propose to change white thinking on issues of race?

Matthew Hale, “Frequently Asked Questions,” [www.wcote.com](http://www.wcote.com), 2001. Copyright © 2001 by The World Church of the Creator. Reproduced by permission.

*Who is the "Creator"?*

The White Race. White people are the creators of all worthwhile culture and civilization. Also, believers in our racial religion are called Creators.

*If you were to sum up the objective of your religion, Creativity, in one sentence what would that be?*

That objective would be: The Survival, Expansion and Advancement of the White Race.

*Why is that so important?*

It is a matter of priorities. Our religion is based on the ultimate of all truths: The Eternal Laws of Nature. Nature tells each species to expand and upgrade itself to the utmost of its abilities. Since the White Race is Nature's finest achievement and since we encompass the White Race, there can hardly be any other goal that even compares in importance.

*As a rule, racists and anti-Semites reject those labels. You embrace them. Why?*

Because the first prerequisite to our attaining victory is to be completely honest about what we are and what we are not. We are racists because we believe in Race. We are anti-Semites because we oppose the Jews.

*Isn't your religion based on hate?*

No, on the contrary, it is based on love—love for the White Race. Besides being based on the Eternal Laws of Nature, Creativity furthermore is based on the lessons of history, on logic and common sense.

*The World Church of the Creator is often described with words like "hate monger," "hate organization," "hate speech." Is this fair?*

No, it isn't fair since every organization—whatever it may be—hates something or someone. Since other organizations aren't labeled "hate" groups, etc., why should we be singled out like this? We don't exist out of hatred for the other races but out of love for our own Race.

*But isn't it part and parcel of your religion to hate the Jews, blacks and other colored people?*

True, but if you love and want to defend those whom you love, your own family, your own White Race; then hate for your enemies comes natural and is inevitable. Love and hate are two sides of the same coin. Only a hypocrite and a liar will go into battle against his enemies proclaiming love.

*But weren't all the atrocities committed by Christians throughout history done by people who were not following Christianity's teaching of love?*

Since these killings, tortures, and persecutions were carried on by the highest leaders and authorities of the various Churches themselves, such as the Popes, by Zwingli, Luther, Calvin, etc., we must presume that the teachings of Christianity, which at best are ambiguous, contradictory and hypocritical, must be held responsible for producing these kinds of people and this kind of insanity. But if we turn to the New Testament, we find Christ himself dispensing such hateful advice as, for example, in Luke 14:26: "If any man come to me, and hate not his father, and mother and wife, and children, and brethren and sisters, yea and his own life also, he cannot be my disciple." What idiotic and destructive advice!

## **Hate Your Enemies**

*What then is Creativity's final position on love and hate?*

We follow the eternal wisdom of Nature's laws, which are completely opposite to the suicidal teachings of Christianity. Whereas Christianity says to "love your enemies" and to hate your own kind (see, e.g., Luke 14:26), we say just the opposite. We say that in order to survive, we must overcome and destroy those that are a threat to our existence; namely, our deadly enemies. At the same time, we advocate love and protection for those that are near and dear to us: our family and our own race, which is an extension of the family.

*How does this differ from Christianity?*

Christianity teaches love your enemies and hate your own kind, while we teach exactly the opposite, namely hate and destroy your enemies and love your own kind. Whereas Christianity's teachings are suicidal, our creed brings out the best creative and constructive forces inherent to the White Race. Whereas Christians are destroyers, we are builders.

*What do you mean about Christianity being a destroyer?*

Christianity teaches such destructive advice as "love your enemies," "sell all thou hast and give it to the poor," "resist not evil," "judge not," "turn the other cheek." Anybody that followed such suicidal advice would soon destroy themselves, their family, their race and their country.

*If Christianity is as destructive as you say it is, how do you explain the fact that it has survived for nearly 2,000 years?*

Smallpox has survived for longer than that, but the damage it has perpetrated on its victims has been devastating. Similarly, the creed and the church have survived for nearly 2,000 years, but the horrible damage it has wrought on the White Race is something else again. The Jews primary objective in concocting Christianity was to destroy their mortal enemies, the Roman Empire. In this they were successful beyond their wildest dreams. Two thousand years ago, before the advent of Christianity, the Roman Empire had reached an astoundingly high level of civilization, art, literature, law-giving, road building, language, and in dozens of other fields that are the hallmarks of progress in the White Man's civilization. Beginning with the reign of Augustus Caesar, Rome enjoyed two centuries of peace and prosperity (known as Pax Romana), the longest such span in history. As Christianity spread, and more and more poisoned the Roman mind, the good Roman citizens lost touch with reality and their minds meandered off into the "never-never land" of the spooks in the sky, fueled by fear of that humble torture chamber, HELL. The result was the collapse of the Roman Empire, and the White Race retrogressed into chaos, barbarism, and a thousand years of the Dark Ages. Poverty, ignorance and superstition were rampant. Like a monster, the Christian church fed upon and capitalized on these miseries. But the church itself grew fat and powerful. . . .

## **The White Race Must Be Saved**

*What do you believe in?*

Creativity is the Eternal Laws of Nature applied to all aspects of life, including and especially our Race. In order to get the full scope and breadth of our beliefs, you must read and study *Nature's Eternal Religion* and the *White Man's Bible*.

*What, in substance, is that belief?*

The aim of our religion, briefly, is promoting the best interests of our race, the White Race, which we believe is the highest pinnacle of Nature's creation.

*Do you have a "Golden Rule" in your religion?*

Yes, we do have a Golden Rule in our religion, and it does

not coincide at all with the Golden Rule generally accepted in the Jewish-Christian philosophy. Our Golden Rule briefly can be summarized as follows: That which is good for the White Race is the highest virtue; that which is bad for the White Race is the ultimate sin.

### **Segregation Will Keep the White Race Pure**

The possibility of the White race continuing into the future will be predicated upon various methods of segregation. Our global numbers are but a small percentage of the overall human total, and those are rapidly diminishing. We have no more genetic homelands safe from the savage. Without some form of segregation the White race is most assuredly doomed. We know this. Most of humanity knows this. The difference is that we have to care, because most of humanity, including most of the White race, does not. How, then, do we bring about segregation when many of our own people actually believe that our extinction, though they would never call it that, would be a good thing? What can we do when most White folks believe that integration means a happy melange of people? The One World, One People construct. These poor dolts don't seem to want to understand that even with the Great White Race amalgamated, there would still be races and racism aplenty, just no White race.

Among the many first things we need to do is to come out from the shadows. We must be confrontational, aggressive, and never surrender a point. We must boldly assert our right to exist as a distinct race. Our cringing from the very word White, has gone on long enough. We must cease to pretend that we have no enemies, and we must not be afraid to name our enemies.

*Don't you believe in the commonly accepted Golden Rule of "Do unto others as you would have them do unto you"?*

No, we do not, and the reason we don't is that when you analyze it more closely, just like many of the other shibboleths of the Jewish-Christian Bible, the so-called Golden Rule does not make good sense. To quote some examples: We would not treat our enemies the same way as we would treat our friends. Our relationship to our employees would not be the same as to our boss. Our relationship to our chil-

dren would not be the same as that to our parents. Our relationship to members of the White Race would not be the same as to members of the black race, for instance and we would not expect the same kind of response. The number of examples that could be quoted are endless, and on closer analysis, it is a completely unworkable principle. . . .

## **“No” to Charity**

*Why do you limit your interest in the benefiting of the White Race only? Aren't you interested in all of humanity?*

Nature tells us to take care of our own kind and only our own kind. We do not regard any of the mud races to be our own kind. They may be sub-species of some common ancestor, or they may not. In any case, we regard the White Race as having risen to the very top of the human scale, with varying graduations of subhuman species below us. The niggers, undoubtedly, are at the very bottom of the ladder, not far above monkeys and chimpanzees.

*But couldn't your program be more charitable and help the other races advance, while at the same time promoting the White Race?*

The answer to this rather tricky question is a most emphatic “NO!” We have no intention of helping the mud races prosper, multiply, and crowd us off the limited space of this planet.

*Why not?*

In answering this question, we again go back to the basic Laws of Nature, which show that each species or sub-species has its natural enemies, and it is a cold hard fact of life that the most deadly enemies of the White Race are first of all the Jews, and secondarily, all the other mud races who are competing for food and living space on this limited planet. We have but two hard choices: (a) of either race-mixing and amalgamating with the mud peoples of the world, and thereby dragging down and destroying the White Race, or taking the course that the World Church of the Creator has chosen, namely, (b) to keep our own race pure and expand until we finally inhabit all the good lands of this planet Earth.

*Wouldn't this entail a confrontation, in fact, a blood bath, in which the White Race might be wiped out?*

Not necessarily. It is the program of the World Church of the Creator to keep expanding the White Race and crowding the mud races without necessarily engaging in any open warfare or without necessarily killing anybody. In doing so, we are only following the same principle as the colonization and westward expansion of America. During this great and productive epoch of the White Race, we kept expanding westward and onward by settling the lands that were occupied by an inferior human sub-species, namely, the Indians. It is true that there were some minor clashes, but there was not any open war of extermination. Had America not pursued this program of pushing onward and crowding the Indian, we would never have built this great stronghold of the White Race which we now call America. This is the real American way and we of the World Church of the Creator are expanding the American way on a worldwide basis.

### **Advance the White Race**

*But isn't this cruel and inhuman?*

No, it is not. It is just a matter of deciding whether you would rather have your own future progeny of beautiful, intelligent White people survive and inhabit this earth, or whether you would rather see them submerged in a flood tide of mud races. In the latter case, all beauty, culture and civilization would vanish. The more we help the mud races to expand and multiply, the more we are robbing our own future generations of food, space and existence on this planet Earth. Furthermore, the mud races are doing to us that very thing in the present stage of history. They have viciously driven out and killed the White population in many countries in Africa, and I might add with the connivance and help of Jews and White traitors. Our Jewish-controlled Government right here in America is promoting the expansion and proliferation of the niggers in the United States, and shrinking the White population so that in a few generations practically all of the United States will be either completely black or mongrelized. It is strange indeed that the bleeding hearts who are so concerned about the survival of the mud races seem to be completely unconcerned about the mongrelization and destruction of the White Race, a process that is now going on before our very eyes.

*But in your book Nature's Eternal Religion, aren't you actually advocating the extermination of the Jews?*

Nowhere in our book do we ever suggest killing anybody. Our program simply is to unite the White Race for its own survival and protection, expansion and advancement. It is because the White Race has flagrantly violated Nature's Laws of looking after its own, and stupidly and foolishly instead has subsidized the expansion and proliferation of our enemies, the multitudes of mud races, that we are now on a collision course with disaster. We Creators strongly advocate that we stop this foolishness of subsidizing our enemies, and let them shift for themselves, and we take care of our own.

*But wouldn't this mean the decline and perhaps the extermination of the colored races?*

Perhaps it would, but that is not our responsibility, nor is it our doing. Nature has decreed that every species on the face of this earth be engaged in a struggle for survival on its own merits in competition with every other species. In no case, in no species in Nature, does the stronger and superior species voluntarily hold itself back and help subsidize a weaker and inferior species so that inferior species might crowd it from the face of the earth. No other species, that is, except the White Race, is foolishly engaging in that kind of foolish philosophy. We Creators say that this is suicidal and that we must drastically change our course. Every individual, sooner or later, dies anyway, but it is a matter of the survival of our own species, our own kind, that we are interested in. Since there is not enough land, food, and substance to support an ever exploding horde of mud races, the vital question as we stated before is: do we want our own kind to survive, or do we want the suicide of our own future generations in a world flooded by the sub-human mud races? . . .

*Do you hate police and military personnel?*

No. The United States Iron Heel's military and police forces are evil institutions, but we have nothing against many individual cops and soldiers, who are often the best of our Race. Indeed, many cops and soldiers are sympathetic to the pro-White cause.

*Why do you use the term "niggers" in your books instead of showing some respect for the blacks and calling them "Negroes"?*

This is a deliberate choice of words. As we state on page 42 in *Nature's Eternal Religion*, we must stop giving them credit and respect which they did not earn, do not deserve, and never did. Again, it is very strange that the same people who are so affronted by the niggers not getting their "proper respect" are totally unconcerned about the vicious, unwarranted attacks by the niggers and other mud races upon the White Race and will not lift a finger in the defense of their own kind. They seem to deem it quite proper that the niggers should be loyal to their race, the Jews should be loyal to their race, but when the White Man is asked to show a loyalty to his own race, he is immediately denounced, even by members of his own race, as being a racist, a bigot, a Nazi, and many other derogatory smear words that the Jews have concocted.

## Jews

*Why do you single out the Jews, who after all comprise less than one percent of the population of the world as your No. 1 enemy?*

There are many good and valid reasons why the Jew deserves this special distinction. (a) The Jewish race, united through their Mosaic religion for thousands of years, has been for many centuries, and is today, the most powerful race on the face of the earth. (b) They not only control the news media, television networks, newspapers, and the money of the world, as of the United States, but through such power they also control the governments of the world. (c) They do, in fact, control most of the nerve centers of power in the United States and throughout the world. (d) It has been their age-old goal, not only for centuries, but for millennia, to pull down, mongrelize and destroy the White Race. (e) They have been very successful in doing this. We therefore conclude that they are a most dangerous threat to the further survival of the White Race.

*Since you claim that your objectives do not include killing the Jews, just what do you propose?*

It is our purpose to drive the Jews from power and eventually drive them from our shores back to Israel or whatever part of the world they choose to live in as a country of their own (perhaps also the island of Madagascar) without robbing other people of their established country.

*How do you propose to do this?*

By uniting and organizing the White race, and through the creed and program of the World Church of the Creator. By preaching and promoting racial loyalty among our own White Racial Comrades and making them conscious of their proud and wonderful heritage, we believe that we can mobilize the full power of the White Race and AGAIN REGAIN CONTROL OF OUR GOVERNMENT AND OUR OWN DESTINY. Once we have done that much, we believe that the fight against the Jews, the niggers and the mud races of the world is as good as won. Just distributing ten million copies of *Nature's Eternal Religion* and the *White Man's Bible* would put us well on the road to victory.

*Didn't Hitler try to do the same thing and fail?*

There are 500 million White people on the face of this planet. Organized and united they constitute an awesome power that would overwhelm the other peoples of the world, namely the mud races, in any kind of contest, or in any show of force. Whereas Hitler's program was similar to what we are proposing, we have learned from his failures and have made some significant changes. Whereas Hitler promoted and advocated pan-Germanism, namely, the German people as the core of his political movement, we, on the other hand, denounce Nationalism as an artificial barrier and a divisive force preventing the unification of the White Race. We promote and advocate the inclusion of all the good members of the White Race throughout the world, and propose to unite them in one solid battering ram under the banners of our religion. There are some other significant differences between our program and that of Adolf Hitler.

*Why do you believe that a religious organization is a better means of accomplishing such objectives than a political party?*

There are several reasons why we are convinced that we must have a religious base rather than a political party to do the job. (a) Religion embraces just about every aspect of a people's life—economies, morals, customs, law, government, education, eugenics, and above all, in our religion, the survival, expansion and advancement of our own race. (b) A political party, on the other hand, has a much narrower base. (c) Politics has a weaker appeal to an individual's loyalty. (d)

Religion, on the other hand, has a much deeper and profound influence on the entire course of his life. (e) Furthermore, history shows that religions can and do last for thousands of years, whereas practically any other human organization, whether it be government, nations, financial corporations, political parties, or whatever, are relatively short-lived, some of them existing for a few years or even less, and then fading from the scene. Of the thousands of political parties that have come and gone, few have lasted longer than perhaps fifty years and very few longer than a hundred years. In contrast to this, the Jews' Mosaic religion has lasted for several thousand years and been the keystone of the survival of the Jewish race, not to mention the horribly destructive ramifications in the lives and destruction of other nations. . . .

## **Changing White Thinking**

*What do you consider the main difficulty in winning your struggle?*

The main problem we have is not overcoming the niggers and the Jews, and the mud races in general, but reeducating the perverted and twisted thinking that has poisoned the minds of the White Race over the many centuries. Despite the fact that the White Race is the most intelligent creature in the fields of logic, mathematics, science, inventions, medicine, and hundreds of other creative and productive areas, yet when it comes to the questions of race and religion, the White Race seems to be strangely stupefied as if under the influence of a mind-warping drug. And, in a way, the White Man's mind is warped as if poisoned with drugs. And this poison is the propaganda that the Jew has foisted on the White Race for all these centuries. The most potent of all these propaganda poisons that had infiltrated the White Man's thinking is the Christian religion. So, our main problem is replacing that religion with a sound racial religion for our own survival, expansion and advancement. As soon as we are able to straighten out the White Man's thinking, we can regard our problems and our struggle as good as won. Placing ten million copies of *Nature's Eternal Religion* and the *White Man's Bible* in the hands of our White Racial Comrades would be a major step in that direction. What a bar-

gain that would be for the White Race!

*How do you propose to "straighten out the White Man's thinking," as you put it?*

This is the most difficult part of the task, but not at all impossible. After all, going back to Adolf Hitler, we find that he was highly successful in changing the thinking of the German people from one of communism, despair, and self-destruction, to one of vibrant creativity, constructive productivity, and re-establishing a highly constructive faith in their own people. We believe we can do the same thing for the White peoples of the United States, by widespread promotion and distribution of our books *Nature's Eternal Religion* and the *White Man's Bible*, and following that up with a strongly organized World Church of the Creator. If the Jews could organize the Christian church for the destruction of the White Race, surely the White Race can organize itself for its own survival. We can do it and we will do it!

*Does Creativity believe in God?*

When you ask that question, it is as vague as asking: Do you believe in "Quantity X"? There are a million different versions of "God." There is the Jewish version—a vengeful God interested only in the welfare of the Jews and repeatedly killing and destroying the Jews' enemies. There is the God of the Mohammedans, Allah; there is the "loving" God of the Christians. Women's Lib says God is a female, the niggers say he is black. Then there is the hocus-pocus about the Holy Trinity—that of the father, son and holy ghost all rolled into one. Whereas most of these versions were concocted by man to take on the image of human form, other versions like the Church of Religious Science say God is an all pervading spirit, like the ether, not in the image of man at all. These are just a few versions out of millions. Actually even members of the same religious denomination differ widely and let their imaginations run rampant. But there is not a shred of evidence to back up any of this nonsense. The sum total of all these wild proclamations is that nobody has any facts to substantiate their claims, and the sum total knowledge about any so-called God is zero. We Creators, therefore, reject all this nonsense about angels and devils and gods and all the rest of this silly spook craft. We go back

to reality, and back to the Eternal Laws of Nature, about which the White Man does have an impressive fund of knowledge. . . .

*Since Creativity does not believe in a Supreme Being, nor in a life in the hereafter; how can you claim to be a religion at all?*

We have every legitimate right to that claim. (a) The constitution in effect prohibits any authority, religious, secular or otherwise, from delineating what is, or what is not, a religion. In short, if you claim you are a religion it is as valid as any rival religion's claim. (b) One of Webster's many definitions of religion is: "A cause, principle, system of tenets held with ardor, devotion, conscientiousness, and faith: a value held to be of supreme importance." Our faith resides in the future of the White Race and our values are set forth in *Nature's Eternal Religion*, especially the SIXTEEN COMMANDMENTS. (c) There are several major religions that are known as Nontheistic. Among these are Confucianism, Taoism, Buddhism, some sects of Hinduism, and many others. Although they contain much mysticism and hocus-pocus we don't indulge in, the point is that they, too, do not believe in a God, but rather are socioethical systems proclaiming certain moral values. Yet they have been recognized as religions for centuries, and rightfully so. There are other valid reasons why we rightfully qualify as a religion, but the above should suffice.

## **The Eternal Laws of Nature**

*What kind of religion would you call yourself?*

Our religion is rooted in race, and based upon the Eternal Laws of Nature. We are, therefore, a racial religion and a natural religion. . . .

*Since you do not believe in God and you do not worship anything, what is the purpose of your religion?*

We have set up the loftiest and most noble goal humanly possible, namely, the Survival, Expansion and Advancement of the White Race. If the White Race isn't worth the dedication of our most ardent labors, what is? Niggers and monkeys? Imaginary, non-existent spooks in the sky? In Creativity, we have given the White Race a great and noble purpose in life. We have given the White Race a program for its own

salvation and advancement for the next million years. We have given our own race a creed around which all members of our race can rally, regardless of nationality. Finally, after thousands of years of floundering, divisiveness and self-destruction, the White Race now has a meaningful constructive religion upon which it can build a better world for itself and its future progeny forever and a day. . . .

*Don't you have faith in anything?*

Yes, we most certainly do. . . . We have faith in the future of the White Race and its ultimate triumph. We consider that as the highest and most significant goal. The fact is we believe in anything that has valid and meaningful evidence to substantiate it. . . . We do not believe in a world of spirits and spooks and we most certainly do not believe in the Jewish Bible which was written by a gang of lying, Jewish scriptwriters. We believe "A SKEPTICAL AND INQUIRING MIND IS NO VICE. BEING GULLIBLE AND SUPERSTITIOUS IS NO VIRTUE." . . .

*Since you say that the Jews occupy all the nerve centers of power, just how do you propose to drive them from power and have the White Man regain control of his destiny?*

We mean to do this by building and expanding the World Church of the Creator until it penetrates the thinking and the heart and soul of all the good members of the White Race. As we have stated before, our biggest problem really is straightening out the thinking of White People. We believe that it can be done and it must be done, in fact, by building a religious movement dedicated to the survival, expansion and advancement of the White Race. We believe it is the only way that this tremendous task can be accomplished. It can be done, and it will be done.

*Doesn't Creativity believe in helping others?*

Yes, we do, but we are highly selective as to whom we render aid, love and affection. We most definitely do not believe in loving enemies, nor helping them. Among our enemies, we have the Jews and the mud races. We, therefore, believe in selectively helping our own kind, namely, our own White Racial Comrades. The White Man is the measure of all things, and we believe in looking at everything through the White Man's eyes, from the White Man's point of view.

## The Bible Is a Hoax

*Hasn't the Bible been pretty well proven by recent scientific discoveries and isn't the gap between Christianity and science rapidly deteriorating?*

Most definitely not. The answer to both questions is a loud emphatic, NO! The gap between Christianity and science is as wide as the Grand Canyon. It is widening as science progresses in giant strides. The gap is irreconcilable and unbridgeable. A study of astronomy and the discovery of billions of other galaxies makes the idea of spooks in the sky a laughable absurdity. A study of geology makes the idea of a universal flood in the year 2348 B.C. a non-existent hoax. A study of Egyptian history also completely repudiates the story of the great flood. A study of authentic history further repudiates the so-called "history" the Jews have concocted for themselves in the Old Testament. Suffice it to say that the conflict is endless and an excellent set of books has been written on this subject. It comes in two volumes and is entitled *A History of the Warfare of Science with the Theology of Christendom* written by A.D. White. Unfortunately, it is now out of print and extremely hard to come by. . . .

*The White Race seems to have done quite well in maintaining itself. Why are you so concerned about its survival?*

The White Race used to do quite well for itself in the 15th, 16th, 17th, 18th and 19th centuries, but no more. In fact, as late as 1920, the White Race was outnumbered by the mud races of the world only in a proportion of 2 to 1. Today, scarcely two generations later, it is outnumbered by the rapidly exploding mud races of the world, by a ratio of 12 to 1. The United Nations, which is a Jew-controlled organization, gleefully reports that in another generation the White Race will be outnumbered on the face of this earth by a ratio of 49 to 1. A person has to only have an elementary grasp of mathematics to see that the White Race is now a very much endangered species, and will soon be either crowded into extinction or mongrelized into oblivion. Either way, the White Race will be gone, and with it also will vanish all the good things that it has produced, such as civilization, culture, art and all the other valuable attributes that we consider as contributing to the good life. The tragic and

ironic thing about all this is that it's the White Man's ability to produce ample food, the White Man's technology, the White Man's medicine, and all the other valuable contributions created by his own ability, foolishly transferred to the parasitic mud races that has caused the present dilemma amid catastrophe. It is these valuable contributions of the White Race transferred to the mud races that has caused the latter's explosive increase. It is the unalterable goal of the World Church of the Creator to bring the White Man back to sanity and to again conserve his creativity and productivity for the benefit of his own race and his race alone. . . .

## **Racial Socialism**

*Does Creativity agree with Adolf Hitler in all respects?*

Not in all respects. There are four or five major issues in which we depart from National Socialism. The main difference is we believe Nationalism, per se, was and is a divisive issue among the White Race. We instead espouse RACIAL SOCIALISM to embrace all the good White people on the face of the globe, rather than Pan-Germanism.

*But didn't Hitler kill six million Jews?*

No, he did not. This, along with Christianity, ranks as one of the biggest lies and biggest hoaxes in history. Privately, among themselves, the Jews published the growth of their total world population between 1938 and 1948, as increasing from approximately 16,600,000 to 17,650,000, an increase of over a million. This would be an outrageous impossibility, if it had been decimated by 6,000,000 during this same period.

*If it isn't true, why would the Jews want to tell such a monstrous lie?*

It has reaped tremendous dividends for them. Having worldwide monopoly of the propaganda machinery, they were able to put that lie across with little or no opposition.

*What were the "tremendous dividends" for the Jews you speak of?*

(a) It enabled the Jews who were the real instigators of World War II and the real culprits, to appear to be the victims, and arouse worldwide sympathy from the gullible and unsuspecting Gentiles, or Goyim, as they call them. (b) Through this world sympathy, it enabled them to loot the

Arabs of their lands in Palestine, and set up the bandit State of Israel. (c) It enabled them to loot the Germans with "restitutions" in amounts of as much as a billion dollars a year to the State of Israel. In short, this is plain blackmail and looting. (d) It enabled them to pursue a vicious program of destroying all opposition to Jewish aggression and take-over throughout the world. (e) It has provided them with a bonanza in tightening their stronghold on the peoples of the world in areas of finances, of propaganda, of governmental expansion and the spread of Jewish Communism.

*So what do you propose as the answer to the Jewish problem?*

The only total answer is for the White people of the world to unite and organize and regain control of their own destiny. This is the highest right in Nature. In order to do so they have to unite around something and that something must be a meaningful, significant and worthwhile creed that all the good White people of this earth can dedicate their lives to. This we have provided in the religious creed of Creativity as set forth in *Nature's Eternal Religion* and the *White Man's Bible*. In it lies the philosophy, the creed and the program for the salvation of the White Race for its own survival, expansion and advancement for all time. It is every White Man's highest moral duty to promote, advance and disseminate this lofty creed, not only for his own generation, but also to our future progeny for the next million years. Therefore let us dedicate ourselves to this noble task and go to work. . . .

*What does "RAHOWA" mean?*

It is our battle cry. Just as the Muslims have "jihad," we have "RAHOWA." It stands for RACIAL HOLY WAR.

*“Whatever name you place on these [white supremacist] organizations, they are purely and simply evil. They foment hatred.”*

## Racial Hatred Is Immoral

Doug Anstaett

White supremacist organizations such as the World Church of the Creator (now known as the Creativity Movement) encourage hate and violence against non-whites, Doug Anstaett maintains in the following viewpoint. He argues that the goal of white supremacists is total separation of the races, and if that proves impossible, they advocate annihilation of those who are different from them. Anstaett insists that decent Americans have a responsibility to condemn racial hatred whenever they encounter it because it is evil. Doug Anstaett writes for the *Newton Kansan*, a daily newspaper in Newton, Kansas.

As you read, consider the following questions:

1. In Anstaett's opinion, into what two groups do racists believe people should be divided?
2. According to the author, what types of people comprise white supremacy groups?
3. What does Anstaett report is the number one goal of the World Church of the Creator?

**H**atred is not new in America. We saw it in the evil that hit Littleton, Colo., in April [1999], when 12 students and a beloved teacher died in a hail of gunfire before the two perpetrators took their own lives.

We saw it in the bombing of the Murrah Federal Building in Oklahoma City in 1995, which killed 166.

We saw it in the dragging death of a black man by thugs in Texas.

We've seen it in numerous acts of terror against those considered "different" for any number of reasons throughout America's history.

And now we've seen it again, this time in white supremacist Benjamin Nathaniel Smith's multi-state rampage in which he targeted minorities as victims, killing two and wounding at least eight others.

It's sad, but in the land of the free, there sometimes appears to be no real freedom for those who are different, especially racial minorities.

Ricky Byrdsong, a black former basketball star and Northwestern University men's basketball coach, was the first to be killed. He was playing with his children when Smith pulled out his revolver and killed him.

The second victim was a Korean student at the University of Indiana in Bloomington. He was simply taking a walk with friends.

Racists believe that people should be divided into groups that deserve to exist and those who do not.

## **White Supremacists Are Evil**

Smith was a member of the World Church of the Creator [since renamed the Creativity Movement], a white supremacist organization that distributed anti-minority and anti-Semitic literature.

Whatever name you place on these organizations, they are purely and simply evil. They foment hatred. They encourage violence against those who are different. They seek total separation of the races, and if that's not possible, annihilation of those who aren't like them.

Typically, they are comprised of loners, losers and misfits—folks who just simply can't fit in to the mainstream of life in America.

According to the Associated Press, late last year [1998] Smith wrote a letter to the *Indiana Daily Student* newspaper.

“America,” he wrote, “has become increasingly nonwhite and the constitutional rights of racial activists have increasingly been infringed upon.”

In April [1999], Smith appeared as a witness for the World Church of the Creator's leader, Matt Hale, at a hearing before a bar association panel. He said that at times he had “considered violent acts to achieve racial goals, but Hale counseled me to act peacefully.”

“Our No. 1 goal is to straighten out the white man's thinking,” he said. “We're the new minority being crushed left and right. We're in a life and death struggle.”

Hale, the “church's” supposed ringleader, still lives at home with his parents and spews his hatred from a room in the basement. That's an interesting “church,” isn't it?

## **Diversity Helps America Prosper**

There was a nation that separated white from black for decades. We applauded South Africa when Nelson Mandela left jail and helped his nation throw off the shackles of apartheid.

America didn't become a nation to separate itself from others. In fact, our nation has prospered because it embraced its diversity and its differences.

Every decent American should condemn acts of racial hatred in whatever form they take.
