Narrative Essay

First Draft

The Incredible Mary Ann

in dent →

I remember the first time we met Mary Ann. It was May 26th, a beautiful spring day, and the temperature was hot as ever in Miami. Naomi, Daniela, and I – ~~the~~ three best friends – set out to go on a girl beach day as we ^{vb} would every year since we were in high school. I had done all my homework and packed all ^{pron} the things for the beach the previous night. ~~so~~ ^{As} soon as woke up, I brushed my teeth and had a quick breakfast. I was ready to dress up and go have a good time with my besties. I sped down the street to meet up with Daniela and Naomi. We arrived at the beach ^p and it was there ^{that} ~~when~~ everything would change forever.
