

# Term Paper Requirements

## Term Paper Requirements

Cameron Douglas Craig

Find your particular course and follow the requirements for completing your term paper.

### *Weather & Climate :: GEO 1400*

- Topic: Follow the instructions for the topic in the course Dropbox folder or Syllabus.
- Sources: You should research five (5) respectable sources for your term paper. Sources that are not considered usable include: Wikipedia, dictionaries, encyclopedias, and other desk references (electronic or hard copy).
- Citation Style: You may use any style of citation you comfortable with in your term paper (i.e. MLA, APA, Chicago, etc.). Your citations should be included after your document with a heading of "Bibliography" or "References." Do not use "Works Cited." Significant points will be deducted if a style of citation is not used or not included.
- Word minimum: Your term paper should be a minimum of 750 words so that you can submit it to the required Electronic Writing Portfolio (EWP). Remember, you have to complete three (3) EWPs before graduation.
- Format: Your term paper should be double spaced with 1-inch margins in 12 point Times New Roman font. Only the title and your name under the title are needed. PDF or DOCX files only. D2L does not accept PAGES.
- Submission: Find the Dropbox folder in D2L associated with the Term Paper to submit your document. You may submit multiple times but only the last submission will be graded. All submissions will be sent through Turnitin.com to determine originality.

### *Human Impacts of the Environment :: GEO 3200*

- Topic: Follow the instructions for the topic in the course Dropbox folder or Syllabus.
- Sources: You should research eight (8) respectable sources for your term paper. Sources that are not considered usable include: Wikipedia, dictionaries, encyclopedias, and other desk references (electronic or hard copy).
- Citation Style: You may use any style of citation you comfortable with in your term paper (i.e. MLA, APA, Chicago, etc.). Your citations should be included after your document with a heading of "Bibliography" or "References." Do not use "Works Cited." Significant points will be deducted if a style of citation is not used or not included.
- Word minimum: Your term paper needs to convey critical thinking. Therefore, there is no assigned minimum number of words. It is expected that you will write multiple pages to demonstrate your ability to critically think. You may use this document to fulfill your EWP requirement at EIU. Remember, you have to complete three (3) EWPs before graduation.
- Format: Your term paper should be double spaced with 1-inch margins in 12 point Times New Roman font. Only the title and your name under the title are needed. PDF or DOCX files only. D2L does not accept PAGES.

- Submission: Find the Dropbox folder in D2L associated with the Term Paper to submit your document. You may submit multiple times but only the last submission will be graded. All submissions will be sent through Turnitin.com to determine originality.

### *Climatology :: GEO 3410*

- Topic: Follow the instructions for the topic in the course Dropbox folder or Syllabus.
- Sources: You should research eight (8) respectable sources for your term paper. Sources that are not considered usable include: Wikipedia, dictionaries, encyclopedias, and other desk references (electronic or hard copy).
- Citation Style: You must use the style associated with this field (i.e. Chicago/Turabian, etc.). Your citations should be included after your document with a heading of "Bibliography" or "References." Do not use "Works Cited." Significant points will be deducted if a style of citation is not used or not included.
