

L NAME – Outline

TITLE OF PAPER

Title: Do not type your introduction paragraph for your outline

Thesis: You must type your thesis statement for your outline. This is the main point and guiding theme of the paper. This appears within the introduction paragraph as you construct your paper

Body:

Supporting Topic 1: Type your main idea here ←

Supporting Idea 1: Type the first supporting idea here

Supporting Idea 2: Type the second supporting idea here

Supporting Idea 3: Type the third supporting idea here

Supporting Topic 2: Type your main idea here ←

Supporting Idea 1: Type the first supporting Idea here

Supporting Idea 2: Type the second supporting idea here

Supporting Idea 3: Type the third supporting idea here

Supporting Topic 3: Type your main idea here ←

Supporting Idea 1: Type the first supporting Idea here

Supporting Idea 2: Type the second supporting idea here

Supporting Idea 3: Type the third supporting idea here

Continue the above format for any other paragraphs that may be necessary for your paper.

Conclusion: Do not type your conclusion paragraph for your outline. Develop this as you construct your paper. ←

References: Feel free to list the references you plan on using here. This is not required for the outline.
