Feedback for learner

You were not approved for this topic you have a header and your paper says it is about ageism but your paper is about nurse burnout which was not the approved topic for this assignment which you were aware of? Because you submitted a paper on a problem you were not approved for and attempted to submit it as if I would not read it? That is a zero for this assignment. I am not sure what the expectation was or why you would submit this as an assignment and as we corresponded and your topic was approved on 7/27/23 it is unlikely that you would submit a
