Teacher Video

Click on the link to open the video. [Teacher Observation of Ms. Ainge](#)

Please watch from the beginning of the video to *at least minute 10*. After watching the video, please answer the questions below. I expect that you will need to watch the video more than one time to answer the questions. Remember to use evidence from the video (quotations or examples) to support your writing.

1. General Reflections

Begin by writing general thoughts about the teaching you observed. What were you thinking and feeling while watching the video? What things did the teacher do that you viewed as positive? What things did you view as negatives?

2. Teacher's Support for Student Productive Struggle

*Now that you have learned about Productive Struggle, **overall**, do you believe Ms. Ainge supported students' productive struggle in mathematics? Explain why or why not.*
