This is a **LONG TERM RENTAL**; this agreement includes Total Maintenance and Repairs.

- There are no hour limitations with this **LTR** agreement.
- If a unit cannot be repaired at your facility within 48 hours of a brake down a replacement unit will be delivered at no additional charge.
- Customer abuse and/or negligence are not covered under this agreement and will be billed at current labor rate of \$90 per hour plus parts.
- Scheduled maintenance will be done on a regular basis based on hours of usage.
- This is a **Non-Cancellable Contract**; if customer defaults and a suit need to be brought to collect any unpaid amount arising from default, customer agrees to pay for reasonable attorneys and court fees that may come due to collect unpaid balance of this contract.
- Customer must provide a **Certificate of Insurance** with GAF Equipment, Inc. listed as loss payee for the Fair Market Value of the Equipment covered under this contract.
- Contract dates: To begin from date of delivery of each unit.
- Customer will provide **GAF Equipment 30 Day Notice for Cancellation**

(All pricing is subject to change at anytime during the final 30 days of this agreement with written advance notice to customer)
