

Key Points/Check List/ Important Info

This is what will be behind the right inner side of the brochure. Based on its placement, I recommend using this spot for a summary of main points, useful tips, or important info:

- Bullet points can be used to
- Bring attention to important points
- Text size and font can be changed
- **904.733.3588**

Be clear and concise and make sure to proofread your work. You can also add pictures, charts, or graphs to this section to provide color or elaborate a point.

REMEMBER TO DELETE THE NOTES ABOVE EACH COLUMN IN BOLD TELLING YOU WHERE EACH SECTION WOULD BE IN THE BROCHURE BEFORE YOU SUBMIT

Summary/Conclusion

This is the back middle. This is a great place to list other/further resources that reader's can turn to. This is another great place to utilize bullet points and changes in font size or type.

- www.scholar.google.com
- www.dcd.gov

It is important to leave concise closing remarks. Be sure to leave room for an appropriate bibliography or references section.

References

Be sure to check with your instructor regarding their policy on references. They may require APA style, or they may wish you to use footnotes. Here are two resources that will help you with this portion of the project -

ADD RESOURCES FOR CREATE APA REFERENCES

ADD RESOURCES REGARDING FOOTNOTES

Title

This is the Front portion to the brochure and is where we need to have our captivating information. This portion wants to draw our focal audience in and entice them to read what is coming within the brochure. Use eye-catching images and **BIG** fonts to increase readability.

Picture(s) with Credit(s)

Your Name and Class Information

COLUMN 3: Inside Left Column

Detailed paragraphs and text boxes

Picture(s) with Credit(s)

This is just behind your front cover and should have very pertinent information on it and allow us to draw the reader in. Be sure to consider readability of the text (the size and font) along with the credibility of the sources you are using.

COLUMN 4: Inside Middle Column

Detailed paragraphs and text boxes

Picture(s) with Credit(s)

This is the juicy details section. Be sure to proofread your work before you submit! Consider readability of the text (the size and font) along with the credibility of the sources you are using.

COLUMN 5: Inside Right Column

Detailed paragraphs and text boxes

Picture(s) with Credit(s)

This is the juicy details section. Be sure to proofread your work before you submit! Consider readability of the text (the size and font) along with the credibility of the sources you are using.
