

Basal Readers Evaluation Report

Name _____

Date _____

Directions: In your report, describe what the basal readers are including its content and structure, strengths of the program, weaknesses of the program, school and school district adoption process, etc. The attached two articles help you understand in-depth reading programs and Basal Readers in the United States. Provide citations and references if you use someone else's information or original work. The length of writing should be no less than five pages exclusive of a title page and reference page.
