

Things to remember when you type your first draft:

1. Must have a thesis statement. Write it in **bold** letters.
2. Must be organized *clearly and logically*.
3. Must use appropriate **connectors** and **transitions/signal phrases** to show smooth flow of ideas.
4. Must **incorporate ideas** from the three readings on social media following the proper citation style.
5. Must be between 550-700 words long.
6. Use 10 new words from the AWL, which you have not used before.
