

topic this week is the foundations of finance. Based on the textbook readings and SV 2030, identify at least two KSA leaders who embody a concept covered this week. Which leaders exemplify the values? How do those leaders apply the SV 2030 principles in their job? What role do they play? What is the significance of utilizing SV 2030 in decision-making? Explain.

For your discussion post, your first step is to summarize the article in two paragraphs, describing what you think are the most important points made by the authors (remember to use citations where appropriate). For the second step, include the reference listing with a hyperlink to the article. Do not copy the article into your post and limit your summary to two paragraphs. Let your instructor know if you

have any questions and enjoy your search.

Embed course material concepts, principles, and theories, which require supporting citations along with **two scholarly peer-reviewed references supporting your answer**. Keep in mind that these scholarly references can be found in the Saudi Digital Library by conducting an advanced search specific to scholarly references.

Be sure to support your statements with logic and argument, citing all sources referenced. Post your initial response early and check back often to continue the discussion. Be sure to respond to your peers' posts as well.
