

This week, we learned about different types of leadership directives and leadership styles. As a reflection of the course, describe your leadership style and how your style will help you develop decision-making skills in your management career. One assessment you may use is [here](#), but you may also use any leadership style assessment you find online to determine your style. Does this leadership style match your skills, abilities, and personality? Why or why not?

Directions:

- Discuss the concepts, principles, and theories from your textbook. Cite your textbooks and cite any other sources if appropriate.
- Your initial post should address all

components of the question with a 500 word limit.
