

**Multiple Intelligences Brochure:**

Students will work in teams/ partners and each group will be assigned a different intelligence. Examine Gardner's Theory of Multiple Intelligences. Design a brochure for the assigned "Intelligence" on an 8 1/2 x 11 sheet of paper folded in thirds. The six panels must include the following: 1-The intelligence. 2-A brief description. 3-Profile of young child displaying the characteristics. 4-Instructional Strategies. 5. References (minimum 3). 6-A listing of the other intelligences not on this brochure and Student's name, course name and number. Brochure that is messy, unprofessional work or that has more than 3 errors in spelling and grammar will not be accepted.
