

PART B — TO BE COMPLETED BY THE STUDENT INTERN

Intern' s Comments: Considering the criteria you were evaluated on above, please provide a summary of your final evaluation meeting with your supervisor. Comment on areas he/she identified as professional strengths and areas for improvement. How will you capitalize on your identified strengths as you begin your career? How will you address the areas for improvement to help prepare you for your career? Be specific. If you feel there were any discrepancies in how you were evaluated, please note those below with supporting reasoning.
