

OBJECTIVE

The main purpose of this RP is to critically reflect your understanding of the “Nutritional advice for patients with Crohn’s Disease”. . This RP must have six pages, including a cover page and references, and be presented in APA format. The maximum similarity allowed with other publications is no more than 20%.

ASSIGNMENT GUIDELINES

Students will critically evaluate the existing publications related to this RP topic. This assignment will help you review, understand, and apply different concepts related to “Nutritional advice for patients with Crohn’s Disease” and become familiar with the new trends related to “Nutritional advice for patients with Crohn’s Disease”.

You must read two articles about the topic in the FNU’s Library database LIRN. Librarian Assistants will be more than glad to assist you at both the South and Hialeah campuses. The access code (user Name) for LIRN is 24439 logins, and the password "onlinelibrary39". In preparing the RP, you can also use two web references, although all the publications and references used should be properly cited and included in the reference section following the APA format guidelines. Also, I highly recommend you to ask Ms. Iliana Torres at the HC Writing Studio room JR505 her assistance in completing this research paper. (Ms. Torres Contact information: irojas@fnu.edu or writnglab@fnu.edu). See the flyer included in this section.

This RP must include:

1. Introduction: provide a brief synopsis of the subjects under discussion: “Nutritional advice for patients with Crohn’s Disease” . .
2. Definition of concepts related to these subjects: How is body physiology impacted?
3. Conclusions and recommendations. You must express your opinion the Nutritional Advises for Pregnant women.

ASSIGNMENT DUE DATE

Due date: October 8, 2023.

The Research Paper must have at least 6 pages, including the front and references. Do not COPY & PASTE—**maximum similarity with any publication or Artificial Intelligence allowed** is 20 %. From 20 to 40 % the grade will be prorated. More than 41 % the grade earned will be Zero (0). If you decide not to submit the Research paper, your grade for this task will be 0.

The assignment is to be electronically posted via TURNITIN. The TURNITIN link can be founded in the Research Paper folder.

This RP will represent 15% of your final grade.

Regards.
