SOUTHERN REGIONAL MEDICAL CENTER PATIENT PORTAL

Information at Your Fingertips

What is the Patient Portal?

The SRMC Patient Portal is an online tool that connects SRMC patients to portions of their personalized health information. This service is offered complimentary to Southern Regional Medical Center patients and will only be established at your request.

Do I Need Special Equipment?

No, all you need is access to a computer, an email account that matches the one you provided to Southern Regional Medical Center and an internet connection.

Can I send my Health Summary to a provider?

Yes, if your provider has an eHealth Exchange email address, you can send your Health Summary securely from the Patient Portal. Contact your provider for his/her eHealth Exchange email address.

How Do I Sign Up For The Patient Portal?

You will need to have a unique email address that has been provided to the hospital.

Access the following URL :

<https://patientportal.southernregional.org/templates/selfsignup-SRR.LIVEF-Phm.html>

Enter the following into the Enrollment Request screen:

First and Last Name

Date of Birth

Gender

Medical Record Number (Med Rec Num)

Email Address

Click [Submit Enrollment Request]

You will receive an email with a one-time user logon and password. Once you enter the Patient Portal using this information, you will be able to create your own personal user name and password
