

STAQ Summer Quarter 2018

ON MAN POON submitted Jul 23 at 10:59pm

Question 1

Section 1: Converting Your Career Goal into an Educational Pathway

At this point in time, what career area(s) are you most interested in pursuing? If you have taken the the [WOIS Career/Interest Assessment](#) [↗] already (for Artifact 2 in the Life Plan Portfolio Assignment), what is the career(s) or career area(s) indicated by the results?

If you are looking at <https://www.wois.org> [↗] from off campus, you'll need to enter the site key: **sgd781**

Your Answer:

Business , however the WOIS quiz show me that my career area is more likely to be artistic.

Question 2

For the career/career area(s) you noted in question 1, what academic degree do you need to pursue and approximately how long will it take to complete?

For example:

High school history teacher: Associate in Integrated Studies or prerequisites (Cascadia, 2 years), Bachelor of Arts in History (2 years), Master of Arts in Teaching (2 years).

If you don't know the credentials that will make up the educational pathway for your intended career area, research now before proceeding with the questions (you may want to open the following websites in separate tabs so you can return to the questionnaire easily):

- Search [WOIS](http://www.wois.org/)  using the Education and Training tab in Career section, <http://www.wois.org/>  you'll need the site key **sgd781** if you are completing this off campus.
- Search Bureau of Labor Statistics [Occupational Outlook Handbook](http://www.bls.gov/ooh/)  (<http://www.bls.gov/ooh/>)
- Search the web for professional pages related to your career choice

Your Answer:

A shop owner, transferable 2 years associate degree (2 years), Bachelor of business management(2 years)

Question 3

What is the program(s) of study or the college major(s) that will lead to your desired career area and what are the prerequisite courses required for the major? Research the prerequisites for two different colleges you are interested in transferring to.

*For example, the prerequisites for admission to the UWB **Electrical Engineering major** are:*

English Composition, Calculus 1, Calculus 2, Calculus 3, Physics 1, Physics 2, General Chemistry 1

- Search colleges and their programs (open these in separate tabs so you can return easily to the questionnaire):
- Search the sites below to find schools that offer the major you are interested in:

[WOIS](http://www.wois.org/index.cfm)  - Education and Training Tab--Schools section, for colleges in state
(<http://www.wois.org/index.cfm>, site key if off campus: **sgd781**)

[College Board Big Future](https://bigfuture.collegeboard.org/) , for out of state college options
(<https://bigfuture.collegeboard.org/> )

- Search college websites to find out what the admissions requirements are **for the specific major, not for general admission.**

Your Answer:

English Composition, Calculus 1, Calculus 2, Communication study, Econ 1, Econ 2, Accounting 1, Accounting 2, Chemistry 1, Chemistry 2(lab)

Question 4

Reflect on what you have discovered about your career goal(s) and the associated educational pathway you have identified in the previous questions. You might write about some of the classes you will need, future challenges, or ways in which your thinking may have changed about the career area. Use this as an opportunity to gather your thoughts before you speak to an advisor.

Your Answer:

I will need to retake a math placement test.

Question 5

What is your main educational goal(s) at Cascadia? (Offer as much detail as you can.)

*For example, **Seeking a degree**(name it), **Getting prerequisites** to transfer into your major at a four-year school (explain), **Other** (explain).*

*If you are a **Running Start** student please list any **high school requirements** you need to fulfill at Cascadia.*

Your Answer:

finish the 2 year transferable degree and getting prerequisites to transfer into business major.

Question 6

How many credits are you planning to take at Cascadia each remaining quarter? (Be sure you have considered your outside commitments: family, work, financial aid, F-1 visa status or VA eligibility requirements.)

*For example, **Fall Quarter- 15 credits, Winter Quarter -15 credits, Spring Quarter -10 credits, Summer Quarter -5 credits***

Your Answer:

Fall 20, Winter 20-25, Spring 20-25

Question 7

What is your preferred method of learning? (Check all that apply.)

- Face-to-face (in person)
- Hybrid (combination of in person/online)
- Online
- No preference

Question 8

What is your preference for time of day for face-to-face and hybrid classes? (Check all that apply.)

- Daytime 8am-4pm
- Evening 4pm-10pm
- No preference

Question 9

A math placement is required prior to meeting with an academic advisor. If you do not have a math placement, please review the options at the [Placement](#) page on [Cascadia's website](#) (<http://www.cascadia.edu/apply/placement.aspx>). Please bring unofficial copies of any documents to be used for placement or take the ACCUPLACER assessment. Any coursework or testing must have been done within the past two years.

What is your math placement or most recent math class?

Your Answer:

Math 99

Question 10

List any outside commitments or other issues that could impact your academic success at Cascadia.

For example, work schedule, family obligations, financial aid, etc.

Your Answer:

none
