

WEBSITES

*Center on the Social and Emotional Foundations for Early Learning (CSEFEL)*

A federally funded, national resources center. Excellent resources on social emotional learning (SEL) for teachers, trainers, and parents. See the excellent examples of scripted stories for SEL, complete with pictures or drawings, in the Resources/Practical Strategies section of the website.

*Edutopia*

A website devoted to what works in public education. Click the “Topics” button at the top of the page and then scroll to the social emotional learning section, which deals directly with social emotional learning (SEL).
