

Virginia Woolf Politics of location

"As a woman I have no country, I want no country, As a woman my country is the whole world"

↓ Edward →

Politics of
location

① pregnancy

② motherhood

③ orgasm

4 - politics of rape & incest

5 - abortion

6 - Birth control

7 - sterilization ← unwanted & forced

8 - prostitution

9 - Marital sex

10 - Sexual liberation

11 - Homosexuality

12 - Religious influence

in terms of a
geography closest
to me: My Body

- national & cultural boundaries
- spatial resistance
- "body" as a medium for self-expression

all of these

How it affects
