▼ Math & Reading Assessment

Applicants are required to complete two Basic Skills Assessments, one in reading and one in math, to determine the level of readiness for beginning their selected program. Additional studies may be required. You may begin those assessments.

Your course contains multiple lessons, each with assignments, review activities, and exams. Recommended exam dates are listed below.

LESSON 1

Math Assessment

Exam Date
16 Jul. 2019

TAKE EXAM

LESSON 2

Reading Assessment

Exam Date
22 Jul. 2019
