

Project Proposal

Choose **ONE** area:

Native Plants, Climate Change, Transportation, Parks, COVID Pandemic, Future Pandemics, Affordable Housing, Air, Water, Land, Noise, Light Pollution, etc.

Focus your Semester Project on the **ONE** topic you choose, as you see it applies to Miami.

Write and Post:

- What is the problem your project is addressing?
25 words minimum to 30 words maximum.
- What solution is your project is proposing?
25 words minimum to 30 words maximum.

Do NOT re-write the questions above in your post.
