

SOCIAL AND CULTURAL THEORY! Getting ready for the second test:

Feb 26:	Read "The Aims of Anthropological Research," by Franz Boas
Feb 28:	Read "Hidden Culture," Edward Hall
Mar 5:	Read "The Individual and the Pattern of Culture," by Ruth Benedict
Mar 19:	Read "Cultural Ecology of India's Sacred Cattle," by Marvin Harris
Mar 21	Read Harris, "Holy Beef, USA"
Mar 26:	Read "The Relation of Habitual Thought and Behavior to Language," by Benjamin Whorf
Mar 28:	Read "Thick Description," by Clifford Geertz

Cultural Relativism: Use the ideas and research of the anthropologists we read and discussed to explain the emergence and the value of the concept, cultural relativism.

Culture: compare and contrast the ways the various methods the anthropologists we read and discussed have used to study culture.

Social: Discuss the influence of one or more of the classical sociologists we read on anthropology's study of culture.
