

1: Respond to the following questions:

- Levin and Solomon both examined the topic of torture. What types of evidence do these writers use to support their theses? Why or why not is the evidence persuasive? Who presented the stronger argument? Why do you believe this to be the case?

****Read** the following argumentative/persuasive readings:

1: Levin, Michael - "The Case for Torture"

<http://people.brandeis.edu/~teuber/torture.html>

2: Solomon, Alisa - "The Case Against Torture"

<https://www.villagevoice.com/2001/11/27/the-case-against-torture/>
