Per UTA's Academic Integrity and Scholastic Dishonesty Standards, students are accountable for work submitted for credit, including group projects. To ensure the academic integrity of work submitted, faculty have the option to submit assignments to Turnitin, or have students directly submit assignments to Turnitin, through Canvas. Turnitin is an anti-plagiarism tool that compares a student's work against any other work found on the internet, and to previously submitted academic work at UTA. Upon submission, students' work will be automatically added to the Turnitin secure database for the purpose of monitoring future assignments submitted by anyone at UTA. Academic work will not be sold to others by Turnitin and will be used solely to monitor academic dishonesty per UTA's policies. By clicking on this Box you acknowledge this statement and agree to abide by UTA's Honor Code available at www.uta.edu/conduct.
