26/26

PART C Consonant sounds

Say to the student: *Look at these letters. Can you tell me the sound each letter makes?* Be sure to ask if he or she knows of another sound for the letters *g* and *c*. If the sound given is correct, do not mark the Record Form. If it is incorrect, write the sound the student gives above each letter. If no sound is given, circle the letter. If the student cannot say the sound for three or more consecutive letters, say: *Look at all of the letters and tell me which sounds you do know.*

d l n s x z j
t y p c h m r
k w g b f q v

21/21

PART D Vowel sounds

Ask the student: *Can you tell me the sounds of each letter?* If the student names the letter, count it as the long vowel sound. Then ask: *Can you tell me another sound for the letter?* The student should name the short vowel sound.

e ✓✓ i ✓✓ a ✓✓ o ✓✓ u ✓✓
l = long sound s = short sound

Record "l" on the first line for the long sound (letter name) and "s" for the short sound on the second line. If the student makes an error, record the error over the letter.

5 /5 Long vowel sounds (count the number of l's above)

5 /5 Short vowel sounds (count the number of s's above)

Reading and Decoding

For Parts E through K students must read both real and pseudowords (made-up words). For the real word lines, tell the student: *I want you to read each line of words aloud.* If the student cannot read two or more of the real words in each line, do not administer the line of pseudowords; go to the next set of items. Before asking the student to read the line of pseudowords, say: *Now I want you to read some made-up words. Do not try to make them sound like real words.* When using this assessment as a specific skills test or screening measure, do not discontinue testing if a student does not do well on one of the items in Parts F through K. Instead, move to the next item and continue testing.
