

Research juvenile' delinquency in several different states.

Compare and contrast the different programs that have been successful in

Note that there are many that have not been successful in preventing deli

What are some of the reasons why a program may fail to reduce delinquer

(3 - 4 pages, Time New Roman, 12-point font, double-spaced).

Two scholarly journal articles should be included as references.

Guidelines:

- Attach one MS Word Document for all responses; do not upload several
- Keep it organized.
- All submissions must be written in students' own words.
- Any instances of plagiarism will result in:
 - o First Offense: Zero, with no opportunity to resubmit
 - o Second Offense: F in the course.
 - o Third Offense (in any other course): Expulsion from FNU.
- Every response must be properly cited following APA.
- Grade Distribution:
 - o Content (thorough, accurate, original, less than 30% matching as per Sa
 - o Grammar (minimal errors, proper grammar, complete sentences/parag
 - o Citations (scholarly source, properly formatted citation to APA): 25%
- As noted by this distribution, citations are worth 25%. Without a proper (100 - 25 = 75), which is a C, and that's assuming that the content and the gramr not disregard the importance of citing your work.
- The only APA rules that must be followed are:
 - o Running Head Header on first page
 - o Headers on all other subsequent pages
 - o In-text cites for all material referenced
 - o Reference list / page
 - o Fonts must be Times New Roman 12
 - o All other APA rules are to be disregarded
