Tasks:

Create a 2-3 page paper that examines the major generations since the 1940s.

1. Identify the major generations since the 1940s.
2. Describe in detail each generation identified above.
3. Select your generation and a second generation that you would like to learn more about.
4. Compare and contrast the major characteristics of each. How do they differ on the following:
 - A. age of marriage
 - B. level of education
 - C. employment opportunities after completing school
 - D. housing or residential patterns
 - E. attitudes—choose two major attitudes to discuss
5. Include at least one table that supports your information.
6. Draw conclusions regarding the similarities and differences between the generations. Do you feel that there is a generation gap and what do you think impacts relationship between the two groups?
7. Support your information by citing all sources.
8. Use APA style--
