Founded in 1807, John Wiley & Sons, Inc. has been a valued source of knowledge and understanding for more than 200 years, helping people advance their knowledge, skills, and careers through a foundation of principles that include responsibility to the communities we serve and where we live and work. In 2008, we launched a Corporate Social Responsibility program to address the challenges we face in our business. Among the issues we are addressing are carbon impact, paper specifications and procurement, ethical conduct, and diversity.
