

Assignment Instructions

Your article review should be a minimum of two pages in length.

Using the CSU Online Library, locate a scholarly article that discusses ethics, qualities necessary in an ethical leader, and corporate culture. Article topics might include employee morale, creativity and innovation, ethical scandals, mergers and acquisitions, or company performance.

Note these are ideas; please expand within the parameters of topics, as they relate to ethics and corporate culture. If you are unsure about a topic, then contact your instructor.

Include the information below in your review.

- Summarize the main point of the article and the reasons offered in support of the main point.
- How does the article describe the qualities necessary in an ethical leader?
- How does this article characterize the impact of corporate culture on ethical decision-making?
- What role does corporate leadership have in establishing the culture according to this article?
- How can you apply information in this article to your own field? Identify a real-world situation and explain how you could apply the information.

Your completed article review must be a minimum of two pages in length. You must use a minimum of one academic peer-reviewed reference source in addition to your textbook. The [How to Find Peer-Reviewed Articles video](#) from the CSU Online Library may help with your search efforts. Adhere to APA Style when creating citations and references for this assignment. APA formatting, however, is not necessary.
